North Grosvenordale, Ct 06255

Dear \_\_\_\_\_,

On September 14, 2020, my 7<sup>th</sup> grade class will be going on a week-long field trip to Nature's classroom. Nature's Classroom is dedicated to motivational learning. We will participate in activities such as mapping a stream, making a movie, investigating weather, examining life under a microscope, and much more. We participate in field groups, take classes, and much more to learn in our natural environment. Nature's Classroom believes that by living and learning together we develop a better community awareness.

The total cost of this field trip is \$385 per person for the week. Because of this expense, we have begun fundraising efforts early. I am asking that you please purchase a gift certificate in my name to help me attend this program. Any amount you could donate to the fund on my behalf would be most appreciated. This is an experience that I am looking forward to having with my classmates and I know I will always treasure it. Thank you for your support.

Sincerely,

---
